Cuyahoga Falls, Ohio - November 11th, 2018: Romall H. Smith II's science fiction collection titled *The Ninth Level* will be available to purchase on smashwords.com and other online retailers for \$2.99

THE NINTH LEVEL is a collection of science fiction and science fantasy stories from the mind of Romall H. Smith II. The stories take readers on an adventure from the to a galaxy far and away.

"Out on the rim" follows the Korriana and her crew as they prepare to mine an asteroid in the kuiper belt. They are met with more than just ice and rocks. Join Aiyana as she lays it all on the line for crew and country. In the story "Seventy-Two" Mika dreamt of living a past life. Touching the edge of reality, she quickly learns not all dreams are realized for a reason. Accelerate to "Full Throttle" with Oriana as she blows down busy streets in her green racer. The "Ninth Level" is one of power and mystery. In a galaxy, far and away from our own only a few wizards ever achieve that level of skill. Grynix believes he is that one in a generation. If only he could stop messing up spells.

Romall H. Smith II is an American science fiction and science fantasy novelist. Currently attending full sail university, he is earning a Bachelor of Fine Arts in Creative Writing for Entertainment. Over the last 20 years he has written hundreds of adventures for local roleplaying groups. Using his creative talents, he contributed to the gritty far Future Science Fiction tabletop RPG *Fragged Empire*. He is now on a quest to write the next great Sci-Fi epic or at least one that can earn him a ticket on the first commercial space shuttle.
